Church Teams Needed for the Dominican Republic!

It's not too early to begin planning your church's Service and Learning trip! Most church groups consist of 10 people for 10 days, however, we can accommodate most groups of any size. Preferred dates are January—March of 2011, although November and December of 2010 are available as well. Possible work projects are determined by the national church and may include building a church building, a pastor's home or working on special projects at the Ministry Center.

World Missions works primarily with Haitians living in the DR and invites you to come alongside our brothers and sisters in not only a building project, but in building

relationships and hope. CRWRC is working at building latrines and water cisterns and welcomes teams as well. Come learn and serve with the ministries of the CRCNA in the Dominican Republic!

Prayer team to Nicaragua

CRWM has joined with Prayer Missions International in hosting this Mission prayer team to Nicaragua. This trip will actively engage in the ministry of prayer, seeking to bring God's blessing and power to missionaries, pastors, churches and communities of Nicaragua. This prayer journey will also include prayer walks through churches and surrounding neighborhoods. If you love to pray and seek God on behalf of others and their needs, this is the team for you! Join Pastor Jon DeBruyn as he leads this exciting Prayer Missions Team to Nicaragua.

Time commitment for a team is October 19-26, 2010.

Keep a close watch for upcoming teams to Haiti this fall!

Disaster Relief Opportunities for Groups

CRWRC Disaster Response Services has opportunities for groups of all sizes, for any length of time (most typically 1 week), every week of the year. DRS partners with communities and organizations in North America impacted by hurricanes, floods, tornados, and fires.

The most pressing current needs include:

- Completion of Cambodian CRC in Salt Lake City, UT by end of August
- Biloxi, Mississippi: still working there nearly 5 years after Katrina
- Tennessee/Kentucky: cities and small towns impacted by recent floods
- Iowa and Indiana: certain weeks in July and August are open

Call 800-8480-5818 or go to www.crwrc.org/drs for more information.

Individual Volunteer Opportunities

Mozambique

CRWRC has an exciting volunteer opportunity for an **Organization Development Coordinator** in Vila Ulongwe, Mozambique. If you have great people, organizational and management skills and are interested in community development, this may be a perfect fit for you!

During your time, you will have the chance to not only work with CRWRC but their partner ministry, Igreja Reformada em Mozambique (IRM). Come alongside our African brothers and sisters and help strengthen their ministry.

Time commitment: Minimum of 6 months to 2 years.

Uganda, East Africa

Volunteer with CRWM as a Dairy Farm Training Manager! CRWM is seeking an individual to serve for one year as a Dairy Farm Manager. Responsibilities include training a local dairy farmer to assume the role of manager; working with their partner, Pentecostal Assemblies of God/Theological College, in the development of a community transformation curriculum; and also teaching an introductory course on dairy farming. As most pastors and other Christian workers in Uganda cannot support themselves in full-time ministry, this dairy farm will help the college and its students develop a holistic and Reformed perspective on ministry and life.

Mexico Missionary Intern

Come to Mexico to learn and work alongside CRWM missionaries and their partners in communities in Jalisco State. As an intern, you will have the exciting opportunity to **engage in evangelism, discipleship and church planting**. During this one year internship, you will forge meaningful relationships with national pastors, missionaries and partners of World Missions.

Strengthen your education as an intern this year as you learn how to minister on the front lines of missionary work in Mexico.
